August 15 - 23

Due to COVID-19, Operation Clean Stream will not be held as a weekend group cleanup event. This year, Operation Clean Stream will run for 9 days, during this time we invite you and those in your immediate household to clean up a site of your choice.

Register online at ocs2020.eventbrite.com.

Here you will receive important safety information and details about your chosen cleanup site and how to order supplies (gloves, bags t-shirts)
On the water volunteers must provide your own boat and shuttling this year

Thank you for helping to keep everyone safe and for volunteering to keep our parks, trails and rivers clean.

Email us at info@openspacestl.org or call (314) 835-9225 with any questions.

Operation Clean Stream COVID-19 Safety Practices

Remember the following

Cover your mouth and nose with a cloth mask

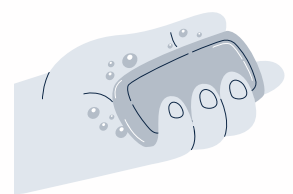

Practice social distancing from non household members

Volunteer with buddies (household members, groups smaller than 10), or alone. If you are volunteering alone, make sure someone knows your plan (site location, return time, etc.)

Sanitize hands frequently

Wash hands frequently with warm water for a minimum of 20 seconds

Stay home if you....

Have a temperature higher than 98.6 degrees F

Have had COVID-19 related symptoms in the last 14 days (dry cough, fever, shortness of breath, chills, headache, sore throat, loss of taste and smell, or any combination thereof)

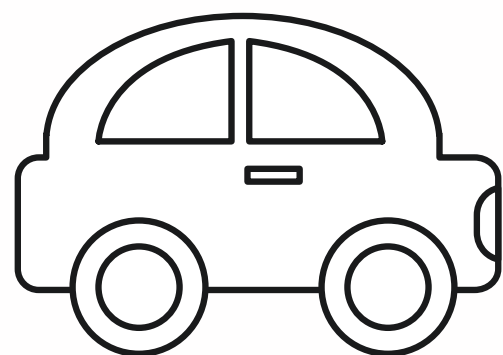

Have been near someone who has COVID-19 or live with someone considered high risk

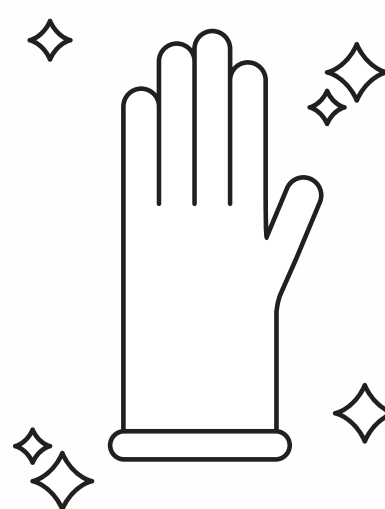

Encounter large groups of people, you can return to the site at another time

Additional Information

Do not carpool with non household members

Always remember to bring sufficient personal protective equipment (PPE)

Equipment

Do not share equipment, gloves, litter bags, etc. without proper sanitizing between handlers

If equipment must be shared establish a sanitizing station
